

# Hannah Kim

## EDUCATION

---

### University of California, Los Angeles

September 2013 – Present

*Bachelor of Science in Biology*

- Overall GPA: 3.5
- Relevant Coursework: Life Sciences 1&2, Chemistry 14A,B,BL,C,D, Physics 6A, Statistics 10

### College of the Canyons June 2011 – 2013

- GPA: 4.0
- Concurrently enrolled while attending high school

### Golden Valley High School August 2009 – 2013

- GPA: 4.53

## Skills

---

- Computer: C++, Python, Microsoft Word, Excel, and PowerPoint
- Languages: Korean and English

## Experiences

---

### Ozcan Research Group at UCLA

May 2015 – Present

*HHMI Undergraduate Research Assistant*

- Designed and developed educational training program on malaria diagnosis tailored to educate underserved population
- Supervised the human resource management process for training module that aims to rapidly train non-professional members of the public to effectively diagnose malaria.
- Restored the mathematical models for combining decisions of multiple users on different computing platforms
- Assisted on analyzing the crowd-sourced data

**UCLA Undergraduate Research Consortium in Functional Genomics**

January 2015 – April 2015

*Undergraduate Student Research Assistant*

- Funded by Howard Hughes Medical Institute (HHMI)
- Conduct biomedical research on *Drosophila Melanogaster* using functional genomics approach in order to find the genes that function in normal hematopoiesis
- Look through databases to find human homologous to the fly genes.
- Predict function of each human homologous gene and protein that it codes for using study results.

**Health Scholars Program**

October 2014 – Present

*Intern; Health Scholar*

- Assist medical staffs with providing quality care to patients
- Practice hands on clinical care skills such as bathing, changing, feeding, and taking vitals while rotating through various departments

**Compassion International at UCLA**

May 2014 – June 2015

*External Events Director*

- Create fundraising events – such as portable water filter system – to provide help to people in developing countries.
- Organize interesting activities to promote friendship among members.
- Create flyers and manage social network systems to introduce both UCLA Compassion and Compassion International to people.

**Embrace All Race at UCLA**

November 2014 – Present

*Vice President; Co-founder*

- Assist the President and other officers with their duties.
- Perform the President's duties such as organizing team meetings and activities during the president's absence.

**Global Youth Missions**

May 2010 – May 2014

*Student Coordinator, Clinical Assistant*

- Organize and coordinate volunteers to assist in the Tecate, Mexico medical and humanitarian mission trip.
- Assist the on-staff doctors, nurses, pharmacists, and dentist during the clinic, supplying medical tools and equipment to each station.
- Collaborate with the other students in managing and running the food and youth booth.
