

Yueyang Mi

(310) 819-2860 | miyueyang@gmail.com
540 Midvale Ave., Los Angeles, CA 90024

EDUCATION

University of California, Los Angeles

Bachelor of Science, Electrical Engineering **Expected June 2016**
Computer Engineering Option
Major GPA 3.9

Related Courses Taken: Introduction to Object-Oriented Software Development, Introduction to Electrical Engineering, Circuit Theory, Logic Design of Digital Systems, Engineering Electromagnetics, Introduction to Computer Organization, Systems and Signals, Circuit Analysis, Introduction to Discrete Structures

Currently Taking: Introduction to Algorithms and Complexity

TECHNICAL SKILLS

- ♦ *Proficient:* C++, Logisim, Matlab

ENGINEERING PROJECTS

Computer Science Department, UCLA

Introduction to Computer Science **Spring 2013**

- ♦ Made a Zombie game using C++

Introduction to Computer Science **Winter 2014**

- ♦ Made a Bug Blast game using C++.
- ♦ Made a Database system using C++.

Electrical Engineering Department, UCLA

Introduction to Electrical Engineering **Fall 2013**

- ♦ Made a LED-controlled artillery.

Logic Design of Digital Systems **Winter 2014**

- ♦ Made a Temperature Monitoring System using Logisim.
- ♦ Made a digital lock using Logisim.

HONORS

- ♦ Dean's Honor List **Spring 2013 - Present**
